INTRODUCTION

Hos oss hittar du unika sydafrikanska vinproducenter som är en del av det nya Sydafrika. Vinmakare som tänjer på gränserna, utmanar gamla sanningar och som positivt bidrar till den sydafrikanska vinbranschen. Resultatet är ärliga viner med karaktär och personlighet, viner som återspeglar platsen de kommer ifrån. Den röda tråden för samtliga vinbönder är att de lägger stort fokus på hållbarhet, marken de brukar och tar väl hand om sina anställda.
